

Scholarship App Process

Step 1: Install & Register

- Download the scholarship app
- Enter mobile number
- Verify OTP
- Create username & password

Step 2: Create Student Profile

Fill the mandatory fields:

- Full Name (as per Aadhaar)
- Date of Birth
- Gender
- Aadhaar Number
- Address
- Mobile Number
- Email (optional)

Upload:

- Aadhaar
- Bank Passbook
- Photo

Step 3: Add Academic Details

- Institution name
- Course name
- Year/semester
- Roll/Enrollment number
- Admission year

Upload:

- Previous marksheets
- Bonafide certificate
- Fee receipt

Step 4: Select Scholarship Scheme

The app shows the eligible schemes based on:

- Category
- Income
- Course
- State

Student selects the scheme(s) and proceeds.

Step 5: Upload Required Documents

Upload PDFs/JPGs:

- Caste Certificate
- Income Certificate
- Domicile
- Disability Certificate (if applicable)
- Fee details

Step 6: Aadhaar–Bank Verification

The app checks:

- Whether Aadhaar is linked to the bank
- Whether bank account is active
- Whether NPCI mapping is successful

Status will show:

- ✓ Success
- ⚠ Pending
- ✗ Failed

If failed, student must update Aadhaar seeding.

Step 7: Submit Application

- Preview all details
- Confirm submission
- Receive application number

Step 8: Institution Verification

Your institution dashboard verifies:

- Student's identity
- Course enrollment
- Fee details

Step 9: District/State Verification

Government authorities cross-check:

- Eligibility
- Documents
- Income & caste records

Step 10: DBT Payment

After approval:

- PFMS transfers scholarship
- Student receives SMS
- Payment reflects in bank account

Step 11: Track Status

Inside app:

- Application Status
- Verification Status
- Payment Status
- PFMS link integration
